

# Maximum Fun at Minimum Cost - How to Form and Operate a Successful Flying Club

AOPA Ambassador Jamie Beckett presents a free seminar designed to demystify the process of starting and running a successful flying club.

**Directions:** Place a card or sheet of paper reading "AOPA" on your dashboard ahead of time; If another event is taking place at Sun-n-Fun, parking lot attendants will direct you to the appropriate parking area.

Take Medulla Rd. to main Sun-n-Fun entrance gate (Look for the big T-33 "Thunderbirds" jet on a pedestal and you know you are at the correct entrance gate). Head east along Doolittle Rd. to the intersection of Sun N Fun Rd, turn left (north) and proceed 0.2 mi. The FAA Safety Center is ahead on the left, at the corner of Sun N Fun Rd and Laird Blvd, across from the Cessna pavilion. Park on the west side of the Safety Center; the entrance door is on the north side facing the runways.
